NARRATIVE:

Curtis Schiess has an extensive adult criminal history that began at the age of 19. His convictions include lewd and lascivious acts with child under 14, failing to register as sex offender, burglary, use of PCP, possession of controlled substances and unauthorized possession of a syringe. He has served multiple state prison terms, the longest being an 8 year term for lewd and lascivious acts with a child under 14. Schiess was released from state prison to the supervision of the Los Angeles County Probation Department on November 03, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in May 2016 after he absconded from post release community supervision (PRCS). Schiess qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for failing to register as a sex offender is defined as non-serious and non-violent under the California penal code. His criminal history, sex offender status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
